Training opportunities now open under NSW Smart & Skilled funding

The pre-vocational and part qualifications program focuses on training to help people develop the skills they need to get a job, undertake entry level qualifications or transition to a new job!

This training is funded by the NSW Government and provides participants with the opportunity to undertake pre-vocational training; these places are open to the general public and offer an opportunity to up-skill prior to considering enrolment into a full qualification within your chosen vocation!

Is there an option for someone to complete a Smart and Skilled qualification outside of a traineeship arrangement?

Yes, if you are:

- 15 years old or over, and
- no longer at school, and
- living or working in NSW, and
- an Australian citizen, Australian permanent resident, Australian permanent humanitarian visa holder or New Zealand citizen.
