### Terms and Conditions

#### Eligibility to attend:

- Students must be completing a VET in Schools Course or be invited by the Education Compliance Coordinator to attend.

#### Non-attendance:

- **In the case of students not arriving by the scheduled session start time, a notification will be sent via email to the student and their school contact.** Non-attendance will be recorded and reported to the Department / School as required under VET in Schools arrangement.
- To avoid causing concerns for the welfare and safety of participants, it is important that you make a call to KTS on **02 4353 7188** before the session, should you be running late or be faced with a genuine, unavoidable circumstance that prevents you from attending.

#### Work Placement Information:

#### Important Notes:

- It is **compulsory** that all students attend and engage in all scheduled classes.
- **Contribution in class is monitored and noted** by facilitators and reported as part of the **course completion** and **student competency progression**. It is important that students professionally communicate, engage and contribute ideas, suggestions and concerns, as these are all linked to applicable unit employability skills. **Students who do not engage in class will be marked as absent.**
- All assessment submissions must be completed in full prior to being uploaded. Incomplete submissions will be rejected and returned to the student to finalise and resubmit.
- **End of Term submission due dates are non-negotiable.** Students who fail to submit work by these due dates will be at risk of a formal written warning, which is sent to the school contact.
