

## Early Childhood Skills Workshop

Developing tomorrow's educators

Join us for a hands-on,  
interactive, face-to-face  
skills workshop!

This workshop is designed to extend the practical capabilities of Early Childhood educators currently working in the sector. You'll engage in collaborative and creative activities that enhance your knowledge of intentional teaching, child observation, and responsive caregiving. Dive deeper into planning meaningful play-based experiences and explore strategies to promote emotional regulation, cultural inclusion, and early developmental milestones.

### This workshop aims to provide opportunities to:

- Practice documenting observations and linking them to learning outcomes
- Design developmentally appropriate and inclusive learning experiences
- Explore strategies to support children's wellbeing and emotional growth
- Understand child development and the role of play in learning
- Learn how to create safe and nurturing environments for young children
- Gain practical experience in planning and facilitating early learning activities
